Thank you Adolph. Do you think that we also need to include the updated fact-sheet at this time, or should we ask Elias whether he thinks this is sufficient?

Carol,
Looks fine. My only comment is in paragraph e., include how long the Navy's containment system has been in operation, if known. Otherwise send to Elias and copy Ariel, Judy-Ann and me. Thanks.

Adolph - Attached is a status report for the RA regarding Navy-Northrop Grumman bethpage. I am available to answer any questions, and then we can forward it to PAO.

Thanks,
Carol
